Membership Manager

Membership Manager for MYOB Accounting Software

WHAT IS IT ?

Membership Manager is an approved Add-on Solution for MYOB AccountRight users.

Groups   You can create Groups to allocate Members to.
Invoices   Item invoices can be created automatically within the MYOB data file.
Reports   Lists of Members in each Group, Member Addresses, Member Details.

WHO IS IT DESIGNED FOR ?

MEMBERSHIP MANAGER is designed for Clubs, Associations, Sports groups and Cultural groups. You can set up member types, branches and other groupings using Custom Lists in MYOB.

WHAT ARE ITS FEATURES ?

Groups   You can create Groups to allocate Members to. These can be social events, teams, or Committees for example. Each member can have a note for that Group eg 'Treasurer'. Groups can be copied to create new Groups, eg 'Senior Interclub 2015' to 'Senior Interclub 2016'

Invoices   Item invoices can be created for Subscriptions, Locker Keys and any other item set up in MYOB. These are generated automatically once the Member and Item selections have been made. Invoices can be created for Members in selected Groups. Invoices are printed in the usual way from within MYOB.

Reports   Lists of Members in each Group
